GOVERNING LAW, DISPUTE RESOLUTION AND COMPLIANCE WITH US LAW

These Terms will be governed by the laws of the State of Wisconsin, except for its conflicts of laws principles. However, some countries (including those in the European Union) have laws that require agreements to be governed by the local laws of the consumer's country. This paragraph does not supersede those laws.

If you have any concerns or complaints about the Service, you agree to first try to resolve the issue informally by contacting Terra LLC. Any dispute between the parties stemming from this Agreement will be submitted to arbitration in Wisconsin. All parties accept the territorial jurisdiction and by reason of the person of those courts. If you are a European Union consumer, any mandatory provisions of the law of the country in which you reside will be honored.

If any stipulation of this Legal Notice is unenforceable or null by virtue of the applicable legislation or because of a judicial or administrative resolution, said unenforceability or nullity will not make the General Conditions of Use unenforceable or null. In this hypothetical case, Terra LLC will modify or replace the clause in question with another that is valid and enforceable.

You state that (i) you are not located in a country that is subject to a United States government embargo, or that has been designated by the United States government as a "terrorist supporting" country, and (ii) you are not listed on any United States government list of prohibited or restricted parties.
